GOD is our CREATOR

God is our Creator. He has always existed, and no one created God. God created all things from nothing (ex nihilo). God's creation reflects His infinite creativity through its complex design, order, form, and infinite variety and beauty. God's splendour and majesty are evident to all through His magnificent creation.

GOD is The Holy TRINITY & One

God is three Persons in One:
Father, Son, & Holy Spirit.

The Holy Trinity teaches us that God is personal & relational. All 3 Persons of the Godhead are in a family relationship with each other. They are 3 separate Persons, but together they are One Being who is God. God wants us to also be a part of His eternal family along with all other followers of Jesus.
